LOOKING AHEAD TO A VISIT FROM KIM DIEHL IN APRIL 2013

With just the third quilt she'd ever made, self-taught quilt maker Kim Diehl entered and won American Patchwork & Quilting magazine's "Pieces of the Past" quilt challenge in 1998. Since then Kim, who hails from Idaho, has seen her work published in numerous national and international magazines.

With her new-found hobby quickly blossoming into a career, Kim realized that she needed to complete her quilts more quickly to meet her ever increasing deadlines. Although Kim loved using traditional needle-turn methods to hand stitch her applique designs, she began experimenting with invisible machine applique and developed a technique that enables her to machine-stitch her appliques in a fraction of the time. Since the machine applique has the appearance of being hand sewn, she has seldom needle-turned a seam since then.

Her books include: *Homestyle Quilts* (co-authored with Laurie Baker), *Simple Charm*, *Simple Graces*, *Simple Comforts*, *Simple Seasons*, and *Simple Traditions*. You can learn more about Kim and see her beautiful work at <http://www.kimdiehl.com/>.

Workshop signups continue. See below for details. I expect these workshops to be very popular so please sign up early for best availability. Until March 1, 2013, these workshops are only open to members and each member can sign up for only two of the three workshops. After March 1, any openings can be filled by members or non-members.

Full-Day Workshop, "Bittersweet Briar (Traditional Quilt)": Friday, April 19, 2013, 9:00 a.m. 3:30 p.m. at Grace Church

(Quilt size: 48 1/2" square). All skill levels. Limit: 20 students. Cost: \$40 for Wiltwyck members (\$45 for non-members after March 1).

Perfect for learning Kim's invisible machine applique method, this striking quilt in a palette of richly burnished colors is ideal for practicing and honing your new-found skills. A fun "hand's on" workshop from start to finish, we'll spend our time together working with a variety of shapes from big, bold blossoms to gently curved vines of bittersweet berries. Discover just how easy it can be to prepare machine-stitched appliques that have the appearance of being hand sewn, and conquer your fear of the "A" word! (*Simple Graces* book is required.)

"A Simple Trunk Show" by Kim Diehl: Saturday, April 20, 2013, at Grace Church.

This informal and light-hearted presentation features quilts from Kim's "Simple" series of books and includes a handful of quilts from American Patchwork & Quilting magazine as well, for a combined total of at least 35 quilts! Hear stories of Kim's successes (and mistakes) as she learned to quilt, including how she made the leap from self-taught novice quilter to published designer with just her fourth quilt. Presentation time averages approximately one hour, depending upon audience interaction and questions.

Half-Day "Cottage Garden Table Runner" Workshop: Saturday, April 20, 2013, at Grace Church (size: 12 1/2" x 46 1/2"). All skill levels. Limit: 20 students. Cost: \$25 for Wiltwyck members (\$30 for non-members after March 1).

Pre-stitch this simply pieced table runner in a snap and then use Kim's easily mastered invisible machine applique technique to embellish it beautifully with a sprinkling of colorful fabric pennies. This informative and fun workshop is full of techniques, tips, and tricks to make you successful at applique, even if you're a complete novice. Best of all, the petite size of this project makes it easy to finish, especially when using the "big-stitch" style of hand quilting demonstrated in class. (*Simple Graces* book is required.)

Full-Day Workshop, "Vintage Berry Blossoms": Sunday, April 21, 2013, 9:00 a.m. - 3:30 p.m. at Town of Esopus Library in Port Ewen (quilt size: 60 1/2" square or 32 1/2" square; 20" finished block size). All skill levels. Limit: 20 students. Cost: \$45 for Wiltwyck members (\$50 for non-members after March 1), includes a \$5 pattern fee.

Learn Kim's easy invisible machine applique technique as you fashion this charming unpublished design available exclusively through her workshops. Class time will focus on the techniques and steps needed to prepare, lay-out, and stitch this block design, and you'll receive plenty of hands-on time to hone your new-found skills. Once home, you can complete this project in the comfort of your own sewing room. For added versatility, you can stitch the pictured four-block quilt or select the alternate single-block option -- the choice is yours! (There is a \$5 pattern fee per person, included in the workshop fee.)

Signing up for Wiltwyck-sponsored workshops: Please make out a check to Wiltwyck Quilters Guild for the fee listed above for the workshop. Give your check to Shirley Swenson, or mail it to her at 402 Slate Quarry Road, Rhinebeck, NY 12572 (845-876-2556) along with a self-addressed stamped envelope for a copy of the supply list. Please include the name of the workshop on the check.

Cancellation Policy: If the guild cancels a workshop, the workshop fees will be refunded. A waiting list will be maintained if sufficient interest in a workshop exists. If an individual cannot attend the workshop, contact the coordinator to see if there is a waiting list. If possible, wait-listed members will be contacted in the order of sign-up to substitute. However there is no guarantee that your space can be refunded. **Shirley**

CIVIL WAR SWAP BLOCK

Using Civil War reproduction fabrics construct a 6 1/2" unfinished Double Four Patch block per directions that follow. ATTACH YOUR NAME TO EACH BLOCK. This is the only way each person knows who has or has not given a block. This is a SWAP - you receive one, you give one. If you miss a meeting you are still responsible to make a block - one has been made for you that you will receive at the next meeting you attend.

To make this block:

2 - 3 1/2" squares of medium/dark fabric

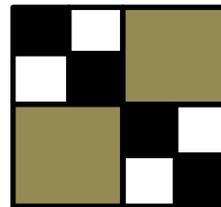

1 - 2"x 8" strip of medium/dark strips

1 - 2"x 8" strip of light colored fabric

Sew medium/dark strip to light strip. Press Cut in 2" segments. Make two 4 patch squares: Be sure darker square is at top LEFT.

Sew together one 4 patch and one medium/dark square side by side. Sew one medium/dark square and one 4 patch, make sure darker corner of 4 patch is top LEFT.

Group 1—NOW MAKING 7 BLOCKS

Anita Rowell, Jackie Brooks, Vija Clark, Barbara Repko, Sharon Conlon, Diane Weaver, Carolyn Rider

Group 2---DELETE SUSAN STESSIN-COHEN. NOW MAKING 6 BLOCKS.

Chris Egan, Betty Bader, Corinne Planthaler, Anna Wang, Mary Pletkiewicz, Mary Mikesh

Please check the measurements of each unit. The small four patch measures 3 1/2". When sewn together they create a 6 1/2" unfinished block. Bring a FLAT bottom bag with your name and group number on it, place it on the designated table. Members of your group can then deposit their blocks for you. The first block put down on a flat plastic bag obliterates your name and those who follow cannot read it, causing shuffling and handling of the blocks.

Thank you,
Lesley

COMMUNITY SERVICE

Don't forget that Guild members meet at the Elks Lodge on Hurley Avenue in Kingston, NY, the Wednesday after a Guild meeting at 9:00 A.M.

THANK YOU FROM LYNNE

Thank you! Whilst only a member for 2 years, I have learnt a lot from this group. I have thoroughly enjoyed being an active member and getting involved whenever I can. I would certainly recommend any of you thinking of volunteering for one of the current positions that you give it a go. It is very rewarding.

As I said in the last meeting, I want to keep the website fresh and updated so please send us any pictures or articles you may have.

We will be living in Georgia and if any of you are planning trips to Florida then come and see us on your way.

Take care, Seasons Greetings, and hope to see you all soon.

Regards
Lynne

COFFEE POT NEEDED

Peggy Smith and Theresa Pabon will be taking care of the "Hospitality" at Guild meetings for the rest of the year. Anita said that our urn leaks and needs to be replaced. Instead of buying one out-right we decided to ask members if anyone has an urn they'd like to donate to the cause. We probably need a 30-40 ounce pot.

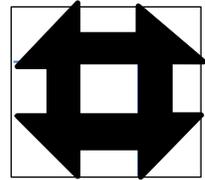

Please call or email Peggy at 845-657-8140, peggyjdp mama@yahoo.com, or Te at 845-679-6834, tpabon@hvc.rr.com if you have one. Please continue to follow the snack schedule posted in the newsletter.

Thanks, Peggy & Te
