## QUILT SHOW INFORMATION

Check the front of the newsletter for the date of the next quilt show meeting. Also, don't forget we are collecting 1/2 yard pieces for the raffle basket. Please start thinking about a raffle basket to make. It should be at least a \$25 value with something handmade in it.

Don't do it alone, but gather a few friends and have fun with it. The baskets are always great! Let Regina Packard know the theme of your basket as soon as you can so we do not have duplicates.

Angee Opdyke

## RAFFLE BASKET OF FABRIC

Thanks to all the Guild members who donated 1/2 yard pieces of fabric for the Raffle Basket of Fabric for our 2014 Quilt Show. Fabric will be collected until the June 2014 Guild meeting. There will be a labeled basket on one of the tables at the October Guild meeting for fabric donations.

Reminder, we are collecting 1/2 yard cuts of fabric (that is, a single cut of 1/2 yard). Any questions, call me or send e-mail (refer to your membership booklet).

## WELCOME BACK – IMPORTANT: PLEASE READ!

Are you ready for a new quilting year? We have lots planned, so stay tuned! You can also sign up for a new mystery quilt with clues distributed monthly. These are always fun.

A big change this year involves the setup for our meetings. Unfortunately, Matt, the church custodian, has injured his back and will no longer be able to set up the tables and chairs for us. (UGH, I know.) We're hoping that everyone who is able will help with setup and any takedown that is required. To distribute the work, those who are designated by the first letter of their last name to bring refreshments for the month will also be responsible for setting up tables and chairs. Understandably, not everyone is able to help, but if you can, **please** arrive early on your assigned month and help set up, and help clean up after the meeting. Thanks to everyone, in advance, for your cooperation and help.

## CAROL WEBER, PICTORIAL AND LANDSCAPE QUILTER IN OCTOBER

Local art quilter Carol Weber visits our Guild on October 19. Carol has won many prizes for her art quilts, including several challenge pieces in which she interpreted famous art masters' paintings in fabric. She will present the lecture "The Making of a Landscape Quilt."

Half-Day Workshop, "Machine Landscape Techniques": Saturday, October 19, 1:00 P. M. - 4:00 P. M. at Grace Church. **\*\*FULL CLASS\*\***

## LACY HILL. WEARABLES AND QUILT DESIGNER IN NOVEMBER LACEY HILL,

Lacey J. Hill of Golden Thyme Designs, who hails from Hillsdale, NJ, will be our guest in November. You can visit her Web site at <http://laceyjhill.com/>. She describes herself as "a self-professed Fabric-aholic. I love color and my stash reproduces spontaneously!" Sound familiar?

**Full-Day Workshop, "Jackets that Fit Your Style": Friday, November 15, 9:30 A. M. - 4:00 P.M. at Grace Church.** Sizes: 0-5 (XSmall-2X) Limit: 20 students. Cost: \$40 for Wiltwyck members (\$45 for non-members), includes \$10 pattern fee. Your choice of the jacket style: Asian Inspiration or Keystone Jacket.

The Keystone Jacket requires more piecing than the Asian one. Each section of this jacket uses a different technique. The sleeves of the Asian Inspiration jacket might look pieced, but it's actually an all-over large-scale Kona Bay fabric. Both jackets patterns can be altered to fit each person's fabric choices. We'll be planning out the jackets in class so you will have a definite plan of action to take home. Visit Lacey's gallery at [www.laceyjhill.com/gtd\\_gallery.html](http://www.laceyjhill.com/gtd_gallery.html) to see photos of her jackets or visit her student gallery at [www.laceyjhill.com/wearable\\_s\\_gallery.html](http://www.laceyjhill.com/wearable_s_gallery.html) for inspiration.

The jacket pattern is based on the rectangle, so construction of the jacket is similar to a quilt. A simple fabric foundation technique is used for

the layout and design. The foundation fabric can be muslin, fleece, or flannel, so the drape of the jacket is flowing rather than stiff. In this workshop each participant will design and create a jacket that fits her unique size and personality. The jacket may be as elaborate or sedate as you wish.

The goal is to create a jacket that "Fits Your Style." There will be sample jackets in each size available for determining the basic size. With measuring tapes in hand, we will adjust the pattern to accommodate different cup sizes and varying sleeve and hem lengths. You will leave the workshop with a pattern that fits your personal proportions.

Because wearable art is very personal, the fabrics we quilt with may not necessarily be the fabrics we would wear. Look in your closet and see which color looks best on you. Then design your jacket around that color scheme. Bring an assortment of fabrics ranging from light to dark. You will use darker fabrics toward the side seams and lighter fabrics in the middle of the panels.

The first half hour to 45 minutes of the workshop is fitting and design ideas. Throughout the day, we will be discussing ways for you to use your current quilting techniques to personalize your jacket.

**"Half Wearables and Half Quilts & Wearables Using Large Scale Prints" Lecture and Trunk Show: Saturday, November 16, at Grace Church.**

This lecture and trunk show is a combination of two of Lacey's lectures. We'll get a sampling of "It's All about the Fabric! Working With Large-Scale Prints in Quilting" and "Jackets That Fit Your Style."

Using large-scale prints in quilting can be challenging as well as confusing. Let's say a great large-scale print caught your eye & you had to have it! Yes, we love to pet our fabric, but let's USE IT! See how fabric pattern and design can create a quilt that sizzles using those wonderful large-scale fabrics. This part of the lecture includes quilts and wearables using large-scale fabrics.

Creating wearable art can be a journey! As quilters making wearable art we need to look at our fabric in a stylish manner. How can we use our fabrics to enhance our figures? Let's highlight our positives and diminish problem spots. All this can be done quite effectively with the use of color, fabric pattern and what Lacey calls "drapability" of design.

Approximately 12-15 jackets will be presented. Volunteer to be a model and you too can "strut your stuff on the runway!"

**Half-Day Workshop, "Panel Play": Saturday, November 16, 12:30 P.M. - 4:30 P.M. at Grace Church.**

Limit: 20 students. Cost: \$25 for Wiltwyck members (\$30 for non-members).

Take a lovely 20"-24" x 40" - 44" panel, add coordinates in a "strippy" fashion, and you'll have a lovely, super quick wall quilt. We'll be using quick strip piecing methods to make the blocks along with modified Flying Geese. A large scale border is optional, and the wall quilt has self bound edge. Lacey will have the panel shown on the supply sheet available if you are interested. Lacey will be sharing lots of time saving tips that can be incorporated into your traditional quilting.

Nursing home quilts – 36" x 48" and **no batting**. Flannel backing is good for these because they do not slide off easily. Quilted or tied. Directions for the walker pockets and wheel chair pockets are on the Guild web page.
