

Upcycling T-Shirt Workshop Supply List

large mat, rotary cutter, and 24" ruler

sewing machine, pins, thread, small scissors for cutting thread

several t-shirts (at least 3, for bags, t-shirt quilt blocks, t-shirt yarn)

large fabric scissors (to cut parts of the shirt)

lunch and beverage

Pellon 906F iron on interfacing - 1/2 yd for each shirt you want to make into a block for a t-shirt quilt

(I will have interfacing available, if you don't have it - 50 cents for each 1/2 yd piece)

1/2 yd muslin for pressing cloth
