

Sewing Machine Cover – Workshop by Cheryl Potter
Feb 15, 2020 – Wiltwyck Member-Led Workshops

Supplies:

Outside:

Fabric scraps for the “sew and flip” method of piecing. Scraps may be pieced. Most lengths no longer than 14” by any width.
½ yd fabric for binding

Lining:

¾ - 1 yd fabric

1 ½ yd fusible stabilizer (med to heavy weight, like deco bond)

(2) 15” x 18” batting

(1) 10” x 40” batting

Sewing machine, walking foot, thread to blend in with lining, scissors, rotary supplies (mat, ruler, cutter)
