

Clothesline Coaster and Bowl – Workshop by Lori Rosa
Feb 15, 2020 – Wiltwyck Member-Led Workshops

Supplies:

Clothesline: 100% cotton, about 400 ft, ¼” wide or similar. Must be clothesline and NOT sashing. It is best if the clothesline doesn't have a synthetic core. Carried by local hardware stores.

Thread: 1000 yd (2 lg spools). Thread color will determine bowl color. Variegated works well.

Notions: sewing machine (with zig-zag), seam ripper, scissors and the usual sewing notions

Heavy-duty needles: #16 or #18 leather needles
