

Supplies: 4 coordinating fabrics

1 for front pocket, 1 for back pocket, both cut to 14x18

1 for front and 1 for back, both cut to 18x18

16 inches sew on Velcro (optional)

4 ties about 11 inches long

Instructions:

1- fold and press each pocket fabric in half wrong sides together

2- fold and press the front and back pieces in half, creating a top and bottom

3- on the front piece, pin each pocket to the raw edges opposite the center fold

4- make 4 ties

5- on the front fabric, pin 2 ties 2/12 inches down from the center fold on both the left and the right

6- on the right side of the back fabric, mark a 16 inch line parallel with the fold 1 1/2 inches from both bottom edges, use this line to sew on the Velcro, one piece on each bottom edge

7- pin the back fabric wrong side up to the top of the pinned front piece, keeping the ties between both fabrics

8- leaving an area for turning, sew 1/4inch around all 4 sides

9- turn right side out, press and sew the opening closed

10- sew dividers in each pocket
